## COMMUNITY CHAI LIGHTS

THE WOMEN'S CHAMBER of Commerce of Nevada recently announced that Marla Letizia, president of Big Traffic Mobile Billboards Worldwide, is the 2008 Leadership winner of its annual ATHENA Awards. "It is an honor to be recognized by one's peers," said Letizia. "If my story can serve as inspiration to the many other women in Las Vegas who are following their hopes and dreams, then all that I have worked for begins to have new meaning." The ATHENA Awards are presented to individuals recognized for professional excellence, providing valuable service to their community and actively assisting women in attaining their professional goals and leadership skills.
